### **SLED TO TEACH THE FUTURE OF LAW ENFORCEMENT**

The South Carolina Law Enforcement Division (SLED) is proud to announce its participation in the **36<sup>th</sup> Session of The American Legion's Nathan M. Wolfe Cadet Academy**.

The event is scheduled from June 13-19 at the South Carolina Criminal Justice Academy located at 5400 Broad River Road, Columbia, S.C.

The Cadet Academy has been a law enforcement training session for rising seniors (ages 16-18) in the state since 1973.

SLED Agents are proud to participate in the tradition on June 16, the official "SLED Day."

Director Reggie Lloyd will congratulate the designated "Chief and Assistant Chief" of this year's class during a special pinning ceremony on June 16 at 8:30 in the morning.

The two elected students will be in charge of team leadership.

For the rest of the day, SLED Agents will teach approximately 60 students about firearms safety, arson investigations, computer crimes, alcohol enforcement and The Bloodhound Tracking Team.

Director Reggie Lloyd, "The Cadet Class is the future of law enforcement in South Carolina. It gives me great pleasure to see that these students have a vested interest in protecting their communities. They will learn valuable techniques and skills from our SLED team."

Several other state agencies will take part in the week long event.
